Dear Ms. Jackson,

We appreciate your notification of this alleged incident. The South Dakota Department of Agriculture (SDDA) works diligently to ensure that pesticide applications are made in a manner that is responsible and in accordance with state and federal guidelines.

Enclosed is a Pesticide Incident Form. Please fill out all pertinent information and retain this form until an inspector with the SDDA contacts you.

Should you feel that you, or your operation, were damaged by this alleged incident, the SDDA would encourage you to contact local law enforcement or consult with private legal counsel about your options to pursue civil damages.

Sincerely,

A handwritten signature in black ink that reads "J.D. Farley". The signature is fluid and cursive, with a long horizontal stroke extending from the end.
